Meet information and Promoter's Conditions

Entry to the Warwickshire Championships is via a club coordinator only and is subject to the conditions below. By entering this competition, all clubs and associated individuals agree to be bound by the conditions laid out below.

The Programme of Events is attached in Appendix B. The requirements for Para Entry are laid out in Appendix C.

Meet Promoter: Warwickshire ASA

Technical Directors: TBC

COVID Lead: TBC *(if required)*

COVID-19 and Social Distancing

All participants will be subject to adherence to any Government, Swim England and facility COVID requirements or guidelines in place at the time of the event.

1. Entries

1.1 Entries will only be accepted when submitted using SPORTSYSTEMS Entry Manager. Entry files from other sources are not acceptable. Entry is via your club - individual entries will not be accepted. All entrants must be a member of a Warwickshire ASA-affiliated Club.

1.2 Entry files will be sent to the Club Secretary who will need to pass these onto the coordinator responsible for this event. All other information will be available by download from the championship website: https://warwickshireasa.co.uk where the most up-to-date information will be published.

1.3 **Entry times (Appendix A) must have been achieved in a licensed meet (including Licence Level 4 meets) between 1st January 2026 and midnight 20th December 2026.** Swimmer details and entry times must be downloaded online from the SE databases using the SPORTSYSTEMS Entry Manager programme. The entry programme selects the best time for each event, which may be a converted time. All times will be taken from Swim England rankings and will not be able to be

amended by club coordinators. Promoter's discretion may be used in exceptional circumstances.

1.4 **Age is at 31st December 2027**.

1.5 The 'Female' category is for birth sex females in accordance with Swim England's Transgender and Non-Binary Competition Policy. By entering the 'Female' category, a swimmer confirms that their birth sex is 'female'.

1.6 To enter the meet, a swimmer must be visible online when using SPORTSYSTEMS Entry Manager programme. Should a swimmer not be listed in the downloaded 'Valid Swimmers' file, then the Club Membership Officer must contact Swim England's Membership department to resolve the problem. This usually occurs if a swimmer chooses to hide their information when completing a membership application form, or when a swimmer has changed clubs, and the paperwork has not been submitted or has been processed incorrectly.

1.7 Swimmers may only swim for the club that they are listed under on the SPORTSYSTEMS entry file, including relay swims. Where swimmers are dual-registered with two or more clubs, they must decide prior to entering these Championships which club they wish to swim for and be entered into individual swims and relays by the club coordinator for that club.

1.8 Entry is £7.50 per individual event. Team events are £10.00. Entry fees will only be refunded on medical grounds if an appropriate signed doctor's/medical certificate is provided.

1.9 Electronic entry files must be uploaded via the link provided on the website by 23:59 on the closing date – **December 24th, 2026**. Entry reports from SPORTSYSTEMS Entry Manager should be returned by email. No improved times will be accepted after the closing date.

1.10 Notification of accepted entries shall be via a list published on warwickshireasa.co.uk. Should any rejections occur, these will be notified by email to the relevant club coordinator.

1.11 Entries to 1500m & 800m events may be subject to a maximum of 6 heats for 800m and 4 heats for 1500m. This will be swum as mixed (open/male and female) events.

1.12 Achievement of the entry time for an event does not guarantee entry acceptance. Following the closing date, the entries received will be reviewed, and if the event is oversubscribed, entries may be rejected to ensure that the meet stays within timelines and any COVID-19 restrictions in place at that time. Rejections will be made fairly across all age groups based on entry times, entirely at the discretion of the Promoter and may not be the subject of any appeal. If an entry is rejected, the entry fee will be refunded, assuming all entry conditions have been met.

1.13 Relay teams must be entered with a best estimate of their times derived from their individual rankings. Failure to do so may result in the entry being rejected. There will be a maximum of 2 heats per event. If over-subscribed, rejections will be based on number of entries per club. This will be communicated to clubs as soon as possible after the closing date.
